ABSENTEE BIDDING

If you are unable to bid during the auction time frame, or feel uncomfortable doing so through the online format, the Bieber Red Angus team will be available to bid for you. You can contact any staff listed under the SALE CONTACTS section to bid.

HEALTH

All cattle are on a complete vaccination program supervised by Ashley Vet Clinic. We have tested our replacement heifers for BVD since 2014 as part of our surveillance program and found no positive BVD carriers. Bieber Red Angus participates in the Beef Quality Assurance (BQA) program. Heifer calves have been Bangs vaccinated. We participated in a Johnes testing program for 10 years with no confirmed positives. We no longer test for Johnes disease but continue to diligently watch for any suspicious cases and test as necessary.

GENETIC DEFECTS

Every animal in the sale is guaranteed negative for the recessive gene associated with Osteopetrosis(OS), Arthrogryposis Multiplex(AM) (Curly Calf Syndrome), Neuropathic Hydrocephalus (NH) and any other known genetic defects. With this guarantee, we provide our customers the opportunity to purchase their choice of cattle with very little risk. DNA samples have been collected on every animal in the sale with any known carrier in the first three generations and tested negative unless otherwise noted.

BREEDING DATA

Breeding data on the bred females, including sex of pregnancy and date of calving, is verified by ultrasound and is an estimate. Many years of ultrasound data has proven it is 99% accurate. This data is verified to the best of the veterinarian's ability depending on embryo age.

COLOR

All animals are red unless otherwise indicated in the footnotes.

DELIVERY ARRANGEMENTS

DELIVERY ARRANGEMENTS AND PRICING

We have outlined our delivery arrangements and pricing and we encourage each of you to review the details below. Craig will be in touch with you within a week of the sale to coordinate the delivery of your purchases. We appreciate your patience and assistance when organizing delivery.

DELIVERY PRICING

Delivery will be charged to **CENTRAL POINTS** per head based on the pricing outlined on the map below. Pricing will be charged based on your physical address. Delivery charges will be added to each invoice at check out, unless you plan to load out within 7 days of the sale.

CENTRAL POINTS

All deliveries will be organized to **CENTRAL POINTS** within the state. Delivery will NOT be organized to your home or ranch. Loads are delivered by semi truck and require drop off points along their route with a loading chute and location to house livestock. You are expected to meet the semi truck driver at the central drop-off point as communicated by them. Central points for delivery include auction barns, vet clinics, and other locations determined by the semi truck driver at the time of delivery. Pricing to these central points will be charged to you based on your physical address. The driver will be given your contact information and will communicate with you regarding the drop off time and location.

FEEDING ARRANGEMENTS

If you are not ready to receive your animals when we plan to deliver to your area, feeding arrangements are available for a charge of \$3.50 per day per animal. Please coordinate these feeding arrangements after the sale.

We ask for your cooperation in arranging dates and the pick up of your cattle at central delivery points within your state. This will keep the cattle from being on the semi truck longer than necessary and help to get your animals to you with the least possible stress and in the best possible condition. We appreciate your understanding of our delivery policy and look forward to working with you on the delivery of your cattle. Please let us know if you have any questions!

REFERENCE SIRES

ATOMIC C218

Atomic is a proven sire in our program and has already been a phenomenal producer of females and maternal traits, and he does so with excellent data across the board. We really like the kind in his progeny and find that many of his daughters end up producing towards the top of the herd. We expect that his pedigree will continue to have an impact for years to come. As the old saying goes, "Cows may come and cows may go, but the Bull goes on forever."

SPARTACUS A193

Spartacus is a complete bull that will leave any breeding program in a good position going forward. His data is hard to match for both seedstock and commercial cattlemen and his progeny have that extra look that everyone wants in their calf crop. Many of our customers have tied into his sons, and those feeder cattle will be in high demand. His daughters look to be some of the best females we have in our herd. Everyone is very pleased with the disposition on his progeny as they offer a great temperament. With over 1,000 registered calves to his credit, he has proven that he is one of the more balanced sires in the breed.

STOCKMARKET E119

Stockmarket, a leading son of Stockman 4051, was one of the high selling bulls in our 2018 Spring Production Sale. His first set of progeny confirm that he delivers on his breed-leading genetic merit with outstanding phenotype. Some sires have the kind of prepotency that produces a higher level of consistency in their progeny from top to bottom. Stockmarket is proving to be that kind of sire. We sold more than 50 sons in our Spring Production Sale in March and people are very excited about using them. He may be the outcross pedigree that the Red Angus breed is looking for.

FOREFRONT B281

Bieber Forefront B281 is a bell ringer for disposition with GridMaster and the new ProS EPD in the top 1% of the breed. His dam, Laura 112W, was a leading donor for several years in our program and we still see her efforts years later. Forefront offers calving ease deluxe with a great set of carcass data. His progeny will likely be some of the best maternal cattle you will find.

TERMS AND CONDITIONS

- Visit www.DVAuction.com or call (402) 474-5557 to register. You simply need to enter a User Name and Password, followed by your personal information, to register.
- Click "Apply for Bidding." Select the Bieber Red Angus Sale from the list of sales and click "Apply." Complete the process by filling out the Banking and Lending Information requested.

DVAuction will let you know that you have been approved to bid and provide you with a bidder number. After the sale, Bieber Red Angus will contact you to make arrangements for payment and delivery of your online purchases.

The Red Angus Association Terms and Conditions will apply if the terms and conditions printed here are not applicable.

BIDDING DISPUTES: The auctioneer in charge will settle any disputes as to bids. His decision on such matters shall be final.

TERMS: The terms of the sale are cash; the right of property shall not pass until after settlement is made. All settlements will be made with the clerks of the sale immediately following the conclusion of the sale and before any cattle will be released from the ranch.

RETAINED INTEREST: We are retaining 1/2 interest in all bulls in the sale. We are selling the remaining 1/2 interest, full possession, and full salvage value on these bulls. This option gives Bieber Red Angus Ranch the option to collect, use and market semen from the bull, and does not restrict the purchaser from doing the same. This collection, unless agreed otherwise, would be done at the expense of Bieber Red Angus Ranch, at the buyer's convenience. Also at the time of purchase, the highest bidder on a retained interest bull may elect to purchase exclusive semen rights for 100% of the purchase price in addition to the purchased price on retained bulls. If a buyer elects to purchase exclusive semen rights, Bieber Red Angus Ranch's interest then becomes in herd use only. Bieber Red Angus Ranch retains all rights to use the bull within their herd.

SEMEN RIGHTS: Buyers receive semen rights proportional to the interest purchased. If you purchase a 1/2 interest, then you are entitled to 1/2 of the semen collections at cost, provided that you indicate you want semen prior to collection. We intend to collect some of the bulls in the sale and sample them in our herd. We will cooperate with the buyer in collection of the bull. We prefer to collect most bulls after the first season of use, and we will contact the buyer when we intend to collect the bull at a time convenient for the buyer.

PURCHASER'S RISK: Each animal becomes the risk of the purchaser as soon as sold. Animals will be fed, watered and cared for at the purchaser's risk for a reasonable time.

CERTIFICATE OF REGISTRY: A certificate of registry and transfer will be furnished for each animal sold as a registered animal, after settlement has been made.

HEALTH: All cattle will have official health certificates and will sell guaranteed export to Canada. Canadian health certificates will be charged at cost on animals selling under \$4000.

ANNOUNCEMENTS: Changes of information contained in this catalog relating to the animals offered for the sale will be announced from the auction block and such announcements shall take precedence. Errors discovered in the catalog will be corrected by announcements at sale time, and such corrections will take precedence over the printed matter in this catalog.

BREEDER'S GUARANTEE: 1. All animals are guaranteed breeders, with the exception of: a) calves under twelve months of age; b) animals shown by Purchaser after sale (in cases of animals shown after purchase, the breeding guarantee, if any, shall be such as agreed upon between Seller and Buyer) c) any open heifer that has been flushed for embryo transfer; or d) gross negligence or willful misconduct on the part of the Purchaser. 2. Bulls are guaranteed breeders if not allowed to run with the herd until at least 14 months of age. Any bull which either: a) settles 1/3 or more of the healthy cows he serves; b) is the sire of 20 or more animals; or c) settles cows by natural service and passes a fertility test made by a competent veterinarian during any 6 month period of trial (provided for in paragraph 2 of the section of these sale terms and conditions entitled "Options and Privileges of Return or Adjustment") shall be considered a breeder.

Any guarantee with respect to the ability to freeze semen shall be by separate agreement between Buyer and Seller.

Open females have not been served and are so guaranteed.

IDENTIFICATION: Each animal carries a readable tattoo. Tag numbers on the cattle correspond with lot and tattoo numbers in this catalog. Purchaser agrees to use full name of animal in advertising and on stall cards at shows.

OPTIONS AND PRIVILEGES OF RETURN OR ADJUSTMENT:

1. All claims for adjustment or refund must be made in writing either within six months of the sale date or no later than six months after the animal reaches 18 months of age, with the exception of claims involving defects or parentage.

2. In the event an animal is claimed to be a non-breeder, the animal may be returned to the farm of the Seller if in good condition and complying with the health requirements of the Seller's state. The Seller shall be entitled to six months' trial following the return of the animal in which to prove the animal is a breeder. The Seller shall, at the option of the Buyer, replace the animal with another of equal value or grant the Buyer a credit for use on any products marketed by the Seller. Such credit of the full purchase price shall in any case be deemed full satisfaction and settlement. Any expense incurred for transporting an animal claimed to be a non-breeder shall be the responsibility of the Purchaser, except that the Seller shall be responsible for the transportation costs in excess of the distance between the Purchaser's farm and the location where the sale took place. If the Seller proves the animal is a breeder, it shall be the obligation of the Purchaser to take delivery of the animal and pay all expense incurred for transportation.

3. If a female sold as "safe in calf" proves not to be in calf, the Purchaser may receive service from the bull previously used, if available, or if the bull is not available, the Seller shall be obligated to make a satisfactory adjustment on the purchase price upon return of the animal to the farm of the Seller. Any adjustment provided for herein shall absolve the Seller from further liability, except in case such female proves to be a non-breeder. If a female represented as "safe in calf" at time of sale to a certain bull proves to have been bred to a different bull, the Seller shall be obligated to take a satisfactory adjustment on the purchase price upon return of the animal to the farm of the Seller (adjustments shall not be considered to a breeding fee or an allocation of the purchase price to any unborn calf). Any expenses incurred for transportation shall be the responsibility of the Purchaser, except that the Seller shall be responsible for the transportation costs in excess to the distance between the Purchaser's farm and the location where the sale took place.

4. If a female sold as "served" proves not to be in calf, or if a female sold as "pasture-bred" proves not to be in calf, the Seller only guarantees such female to the breeder.

5. If a female sold as "open" proves to be with calf, the Purchaser may return the animal to the farm of the Seller prior to calving for a credit of the full purchase price or for another animal of equal value, whichever is acceptable to the Purchaser. It shall be the obligation of the Seller to bear any expense incurred for transportation.

LIABILITY: Neither owners, sale managers, clerks nor anyone connected with the sale assumes responsibility, legal or otherwise, for damages of any kind.

CONTRACT: The above terms and conditions shall constitute a contract between the buyer and seller of each animal sold.

IMPLIED WARRANTY: Except for those stated in the terms and conditions, there are no warranties, either expressed or implied, as to merchantability or fitness for a particular purpose with respect to the cattle being sold in this auction. The warranties set forth in terms and conditions are in lieu of all other warranties, either expressed or implied, and the remedies proved therein shall be the sole and exclusive remedy of the buyer, or any part claiming through buyer, for any breach of warranty or guarantee therein provided and all other obligations or liabilities.

WE GUARANTEE YOUR PURCHASE WILL BE SATISFACTORY.
