ABSENTEE BIDDING

If you are unable to bid during the auction time frame, or feel uncomfortable doing so through the online format, the Bieber Red Angus team will be available to bid for you. You can contact any staff listed under the SALE CONTACTS section to bid.

HEALTH

All cattle are on a complete vaccination program supervised by Ashley Vet Clinic. We have tested our replacement heifers for BVD since 2014 as part of our surveillance program and found no positive BVD carriers. Bieber Red Angus participates in the Beef Quality Assurance (BQA) program. Heifer calves have been Bangs vaccinated. We participated in a Johnes testing program for 10 years with no confirmed positives. We no longer test for Johnes disease but continue to diligently watch for any suspicious cases and test as necessary.

GENETIC DEFECTS

Every animal in the sale is guaranteed negative for the recessive gene associated with Osteopetrosis(OS), Arthrogryposis Multiplex(AM) (Curly Calf Syndrome), Neuropathic Hydrocephalus (NH) and any other known genetic defects. With this guarantee, we provide our customers the opportunity to purchase their choice of cattle with very little risk. DNA samples have been collected on every animal in the sale with any known carrier in the first three generations and tested negative unless otherwise noted.

BREEDING DATA

Breeding data on the bred females, including sex of pregnancy and date of calving, is verified by ultrasound and is an estimate. Many years of ultrasound data has proven it is 99% accurate. This data is verified to the best of the veterinarian's ability depending on embryo age.

COLOR

All animals are red unless otherwise indicated in the footnotes.

DELIVERY POLICY

Please review our delivery policy on Page 2 for info on delivery costs and central delivery points.

SCHEDULE OF EVENTS

WEDNESDAY, APRIL 19

7:00 am CDT — Online bidding opens for lots 1-53 of Fall Bred Cows
7:00 pm CDT — Online bidding closes for lots 1-53 of Fall Bred Cows

THURSDAY, APRIL 20

7:00 am CDT — Online bidding opens for lots 54-102 of Open Heifers
7:00 pm CDT — Online bidding closes for lots 54-102 of Open Heifers

SALE BROADCAST

The sale will be an online only timed auction and broadcast through DVAuction.

AUCTION FORMAT

The sale will be hosted entirely online at www.DVAuction.com. All lots will close at 7:00 pm CDT on their respective closing dates.

- Fall Bred Cows lots 1-53 will close at 7:00 pm CDT on April 19
- Open Heifers lots 54-102 will close at 7:00 pm CDT on April 20

If any lot is bid on within 5 minutes prior to 7:00 pm CDT on the closing date, bidding will be extended for an additional 5 minutes on all lots. Bidding will then close when there are no bids placed on any lots for a period of 5 minutes.

BIDDING PROCEDURES

Follow these steps to apply for bidding prior to the start of the sale.

1. Make sure you have an active DVAuction account. Log into www.dvauction.com any day and make sure your login still works. You will not be allowed to watch or bid on this sale if you cannot log into DVAuction.
2. Once you are logged into the home page for DVAuction, you will see your name listed at the upper left corner of the page. This is the same area where you entered your user name and password. Below your name you will see the 'Apply for Bidding' link. Click on this link. It will take you to a page that shows all upcoming sales. If this sale is in the list with the word Approved in front of it, you are ready to bid. If not, click the box next to the sale and scroll down to the bottom of the page to click Apply for Bidding. You will now see a green bar at the top saying 'Your request for approval has been received.' Check your status on the sale. If it says Approved in front of the sale, you are ready to bid. If it does not, call our office at (402) 316-5460 for approval.

Follow these steps to bid in the sale.

1. Login into your account on DVAuction.com.
2. On the home page, scroll through Today's Events. Timed auctions are listed toward the bottom of today's events.
3. Click on the VIEW button next to the sale listing. This will take you to the lot listing.
4. To bid on a lot, click on that particular lot and it will take you to the individual lot where you can place a bid. If you see a pink bar with "You are not approved to bid at this event. Apply for Bidding," click on the blue APPLY FOR BIDDING button. Once approved, this is where you will submit your bid.

Contact DVAuction at (402) 316-5460 or support@dvauction.com.

DELIVERY POLICY

We have outlined our delivery arrangements and pricing below and we encourage each of you to review the details. Please stop by our check out counter prior to leaving the sale to coordinate delivery plans on your animals. If you are not onsite on sale day, Craig will be in touch with you within a week of the sale to coordinate the delivery of your purchases. We appreciate your patience and assistance when organizing delivery.

DELIVERY PRICING

As always, we will continue to offer free delivery to **CENTRAL POINTS** in South Dakota and North Dakota. For all other states, delivery will be charged to **CENTRAL POINTS** per head based on the pricing outlined on the map below. Pricing will be charged based on your physical address. Delivery charges will be added to each invoice at check out, unless you plan to load out within 7 days of the sale.

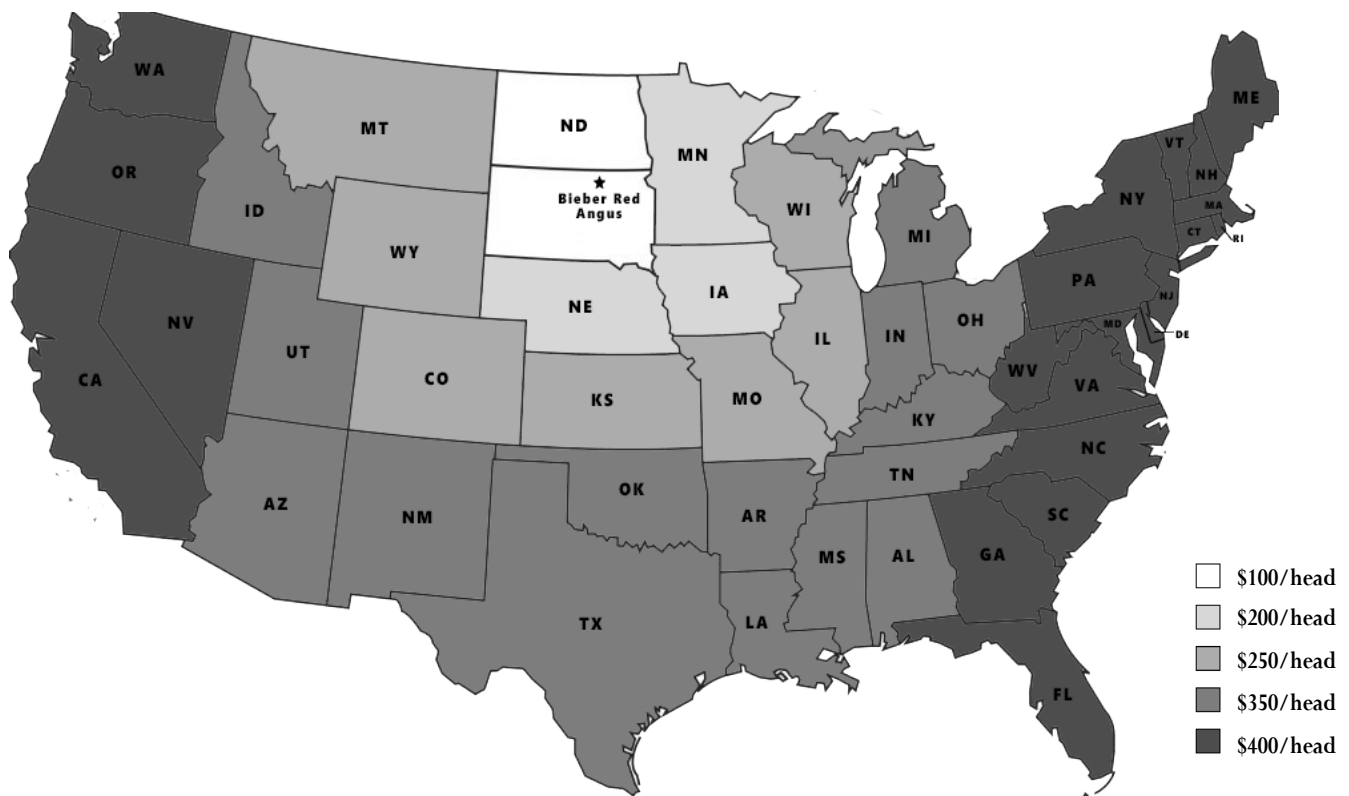

CENTRAL POINTS

All deliveries will be organized to **CENTRAL POINTS** within the state. Delivery will NOT be organized to your home or ranch. Loads are delivered by semi truck and require drop off points along their route with a loading chute and location to house livestock. You are expected to meet the semi truck driver at the central drop-off point as communicated by them. Central points for delivery include auction barns, vet clinics, and other locations determined by the semi truck driver at the time of delivery. Pricing to these central points will be charged to you based on your physical address. The driver will be given your contact information and will communicate with you regarding the drop off time and location.

FEEDING ARRANGEMENTS

If you are not ready to receive your animals when we plan to deliver to your area, feeding arrangements are available for a charge of \$3.50 per day per animal. Please coordinate these feeding arrangements after the sale.

We ask for your cooperation in arranging dates and the pick up of your cattle at central delivery points within your state. This will keep the cattle from being on the semi truck longer than necessary and help to get your animals to you with the least possible stress and in the best possible condition. We appreciate your understanding of our delivery policy and look forward to working with you on the delivery of your cattle. Please let us know if you have any questions!

FALL BRED COWS

RED ANGUS FALL BRED COWS

Video of all lots will be available prior to sale day.

We kick off our Online Female Sale with our offering of fall bred cows. These females will give you a great opportunity to start or build your herd with leading genetics, and they include embryo transplant daughters out of some of our best donors. Check the footnotes for breeding data on each lot including due date, calf sire, and calf sex.

These lots will open at 7:00 am CDT on Wednesday, April 19 and close at 7:00 pm CDT on Wednesday, April 19. Please see the bidding procedures and auction format sections on the first page of the catalog for more information on how the sale will run.

OPEN HEIFERS

RED ANGUS OPEN HEIFERS

Updated EPDs will be provided prior to sale day.

The parentage listed on these heifers is correct and confirmed, but genomic data was not updated in some of their EPDs prior to print time. We will provide updated EPDs on our website and on DVAuction before sale day.

The open replacement heifers in this offering are out of some of our best cowlines and have data at the top of the breed. They have been given all pre-breeding vaccinations and are ready to breed. You can buy these lots with the confidence that we would breed them ourselves if they were not offered here.

These lots will open at 7:00 am CDT on Thursday, April 20 and close at 7:00 pm CDT on Thursday, April 20. Please see the bidding procedures and auction format sections on the first page of the catalog for more information on how the sale will run.

BIEBER JUMPSTART J137

Jumpstart was the single most sought-after Red Angus bull in the 2022 sale season, commanding \$185,000 to Select Sires and a number of other partners in our Spring Performance Bull Sale. This bull combines elite data with exceptional phenotype. Very few sires offer as much power and muscle shape as he does, yet still rank among the best in the breed for calving ease. Not only is he a true 'specimen' in terms of his physical appearance, but he also has a number set that's projected to offer improvement in nearly every trait. This is a great opportunity at some of the first calves out of such an elite sire. Make sure to check out the fall cows bred to him.

BIEBER HIGH DENSITY H558

High Density is a Hard Drive X Rollin Deep bull that epitomizes the stout, high-capacity body type that both sires are well known for. His dam is out of a very productive Basin Hobo 0545 daughter that came to us from the Basin Program. His dam, Enchantress 359B, sold in our 2022 Fall Sale going to Drew Edleman with Edleman Cattle Company of SD to make profitable Lim-Flex progeny. High Density H558 might be one of the best Hard Drive sons we have ever produced. His progeny look good, and we are excited to get them in production. We are looking forward to seeing this bull live up to his potential and move our program forward in the years to come.

REFERENCE SIRES

PIE ASSET 1276

Asset 1276 is a son of the sought after Red MRLA Resource 137E out of the Pieper Red Angus program. This bull offers excellent phenotype and his first set of calves are on the ground for us - we like what we see!

BIEBER BLUE CHIP H302

Blue Chip H302 was the second high-selling bull in the 2021 Performance Bull Sale going to Select Sires. His dam produces a lot of style and we are certain Blue Chip will not disappoint. He was added to the Select Sires line up as a sure shot calving ease sire, but also offers growth and carcass.

BROWN PRIORITY J428

We purchased this bull from the R.A. Brown program last fall because of his excellent calving ease coupled with strong growth data. His dam is impressive and was actually purchased as the pick of the herd from the Brown's. The fall cows in this sale are carrying the first calves out of this bull and we are excited to see what he does for our program as we quickly approach breeding season this spring.

REFERENCE SIRES

BIEBER CL ATOMIC C218

Atomic is a proven sire in our program and has already been a phenomenal producer of females and maternal traits, and he does so with excellent data across the board. We really like the kind in his progeny and find that many of his daughters end up producing towards the top of the herd. We expect that his pedigree will continue to have an impact for years to come as we see his progeny become popular herd sires in their own right. Ron and Lois have a sign hanging in their home with the old saying, "Cows may come and cows may go, but the Bull goes on forever." Atomic is the perfect example of the longevity a great sire can have in the breed.

BIEBER CL ENERGIZE F121

Energize has been attracting attention the past few years. He leads the sire lineup at ABS and is likely to be a leasing sire in the breed. He was one of the most talked about sires - red or black - at Origen in MT several summers ago. Energize blends an outstanding growth curve with outstanding GridMaster values. His progeny have continued to impress us every step of the way. His sire Atomic's daughters have been impressive and we have no doubt with the Adelle cowline in his pedigree the Energize daughters will continue to impress. He has a lot of body and dimension and has a bold spring of rib and great foot structure. His dam Adelle 575D sold to Mathias Ranch and is now being flushed extensively. We expect great things from this sire and the progeny we are offering in this sale are just the front end of a lot of great cattle.

Research Validates Red Angus as Most-Favored Female

Ranchers across the country have long recognized the value of Red Angus females as the foundation of a profitable cowherd. Now, independent research validates those years of cattle production experience with tangible data proving the Red Angus heifer's worth.

Research Confirmation

Esther McCabe, et al., of Kansas State University, led a study that confirmed Red Angus are the most-favored female in the industry. McCabe and her team compiled five years' worth of pricing data from Superior Livestock Auction, comparing 13,804 lots of heifer calves totaling over 1.2 million head that sold in 116 video auctions.

The research team evaluated the effects of independent variables on the sale price of heifer calves that fell into six different breed composition groups: English, English crosses, English-Continental crosses, Black Angus-sired out of dams with no Brahman influence, Red Angus-sired out of dams with no Brahman influence, and Brahman-influenced.

They deduced that Red Angus-sired heifer calves bring \$5 to \$9 more per hundredweight than all other breed types.

Rancher Trusted

While market research validates the price advantage of Red Angus heifers, ranchers have tested and trusted her worth on the range for years. Red Angus females are desirable as replacement heifers because they mature into productive mother cows that reward producers with extra dollars in their pockets on sale day.

Red Angus cows have gained ranchers' trust as a complete package through fertility, fleshing ability, good disposition, longevity and excellent overall production. They produce feeder calves that earn premiums in the yard and on the rail through docility, feed efficiency, conversion and carcass merit.

Over the years, stockmen have voted with their checkbooks, purchasing heifers they know will bring profitability to their ranching businesses – and Red Angus females are their most-favored choice. ■

Independent research studying five years of Superior Livestock Auction data confirms the value of Red Angus replacement females.

Red Angus Stockyard

List or locate quality Red Angus replacement females at stockyard.redangus.org. Over 20,000 head of cattle are sold each year through the Red Angus Stockyard.

FeMail

An electronic tool to help locate or market ranch-tested replacements. Market your open heifers, bred heifers or cows, or cow-calf pairs. FeMails are designed for offerings of 25 head of more to complement listings on the Red Angus Stockyard.

Breed and Gender Interact to Affect the Sale Price of Beef Heifer Calves*

HOW TO BID

This is an online only auction facilitated through DVAuction.com. Please see the instructions below for information on how the auction will run and how to bid. **Video of all lots will be available on DVAuction.com prior to sale day.**

HOW THEY WORK

All lots will close at the same time. Bidding will be extended for 5 minutes on all lots if a bid is placed on any lot within 5 minutes before closing time. Bidding will officially close when there are no bids placed on any lot for a period of 5 minutes.

BIDDING PROCEDURES

1) Make sure you have an active DVAuction account. Log in to www.DVAuction.com any day of the week and make sure your login still works. You will not be allowed to watch or bid if you do not have a DVAuction login.

2) Once you are logged into the home page for DVAuction, you will see your name listed in the upper left corner of the page. This is the same area that you put in your username and password. Below your name you will see the Apply for Bidding link. Click on this link and it will take you to a page that shows all the upcoming sales. If the sale you are interested in bidding on is listed with APPROVED in front of it, you are ready to bid. If not, click in the box next to the sale that you wish to bid at, scroll down to the bottom of the page, and click on the Apply for Bidding bar. You will now see a green bar at the top saying 'Your request for approval(s) have been received.'

Make sure to continue to check back on the status of the sale you wish to bid at. If it says APPROVED in front of the sale, you are ready to bid. If it does not, call DVAuction at (402) 316-5460 for approval.

3) To bid, login to your DVAuction account. On the home page, scroll through today's events and find the sale you wish to bid on. Click on the view button next to the sale listing and it will take you to the lot list. To bid, click on a lot and enter a bid amount.

****If you click on a lot and see a bar that says 'You are not approved to bid at this event,' click on the Apply for Bidding button. Once approved, this is the area that you will submit your bid.**

For general questions or requests to bid, please contact DVAuction at (402) 316-5460 or support@dvauction.com.

LEGAL TERMS AND CONDITIONS

The Red Angus Association Terms and Conditions will apply if the terms and conditions printed here are not applicable.

BIDDING DISPUTES: The auctioneer in charge will settle any disputes as to bids. His decision on such matters shall be final.

TERMS: The terms of the sale are cash; the right of property shall not pass until after settlement is made. All settlements will be made with the clerks of the sale immediately following the conclusion of the sale and before any cattle will be released from the ranch.

RETAINED INTEREST: We are retaining 1/2 interest in all bulls in the sale. We are selling the remaining 1/2 interest, full possession, and full salvage value on these bulls. This option gives Bieber Red Angus Ranch the option to collect, use and market semen from the bull, and does not restrict the purchaser from doing the same. This collection, unless agreed otherwise, would be done at the expense of Bieber Red Angus Ranch, at the buyer's convenience. Also at the time of purchase, the highest bidder on a retained interest bull may elect to purchase exclusive semen rights for 100% of the purchase price in addition to the purchased price on retained bulls. If a buyer elects to purchase exclusive semen rights, Bieber Red Angus Ranch's interest then becomes in herd use only. Bieber Red Angus Ranch retains all rights to use the bull within their herd.

SEMEN RIGHTS: Buyers receive semen rights proportional to the interest purchased. If you purchase a 1/2 interest, then you are entitled to 1/2 of the semen collections at cost, provided that you indicate you want semen prior to collection. We intend to collect some of the bulls in the sale and sample them in our herd. We will cooperate with the buyer in collection of the bull. We prefer to collect most bulls after the first season of use, and we will contact the buyer when we intend to collect the bull at a time convenient for the buyer.

PURCHASER'S RISK: Each animal becomes the risk of the purchaser as soon as sold. Animals will be fed, watered and cared for at the purchaser's risk for a reasonable time.

CERTIFICATE OF REGISTRY: A certificate of registry and transfer will be furnished for each animal sold as a registered animal, after settlement has been made.

HEALTH: All cattle will have official health certificates and will sell guaranteed export to Canada. Canadian health certificates will be charged at cost on animals selling under \$4000.

ANNOUNCEMENTS: Changes of information contained in this catalog relating to the animals offered for the sale will be announced from the auction block and such announcements shall take precedence. Errors discovered in the catalog will be corrected by announcements at sale time, and such corrections will take precedence over the printed matter in this catalog.

BREEDER'S GUARANTEE: 1. All animals are guaranteed breeders, with the exception of: a) calves under twelve months of age; b) animals shown by Purchaser after sale (in cases of animals shown after purchase, the breeding guarantee, if any, shall be such as agreed upon between Seller and Buyer) c) any open heifer that has been flushed for embryo transfer; or d) gross negligence or willful misconduct on the part of the Purchaser. 2. Bulls are guaranteed breeders if not allowed to run with the herd until at least 14 months of age. Any bull which either: a) settles 1/3 or more of the healthy cows he serves; b) is the sire of 20 or more animals; or c) settles cows by natural service and passes a fertility test made by a competent veterinarian during any 6 month period of trial (provided for in paragraph 2 of the section of these sale terms and conditions entitled "Options and Privileges of Return or Adjustment") shall be considered a breeder.

Any guarantee with respect to the ability to freeze semen shall be by separate agreement between Buyer and Seller.

All guarantees are limited to the amount of the purchase price.

Open females have not been served and are so guaranteed.

IDENTIFICATION: Each animal carries an EID tag for identification. That EID corresponds with the ID of the animal and is recorded with the Red Angus Association. Tag numbers on the cattle correspond with lot numbers in this catalog. Purchaser agrees to use full name of animal in advertising and on stall cards at shows.

OPTIONS AND PRIVILEGES OF RETURN OR ADJUSTMENT:

1. All claims for adjustment or refund must be made in writing either within six months of the sale date or no later than six months after the animal reaches 18 months of age, with the exception of claims involving defects or parentage.

2. In the event an animal is claimed to be a non-breeder, the animal may be returned to the farm of the Seller if in good condition and complying with the health requirements of the Seller's state. The Seller shall be entitled to six months' trial following the return of the animal in which to prove the animal is a breeder. The Seller shall, at the option of the Buyer, replace the animal with another of equal value or grant the Buyer a credit for use on any products marketed by the Seller. Such credit of the full purchase price shall in any case be deemed full satisfaction and settlement. Any expense incurred for transporting an animal claimed to be a non-breeder shall be the responsibility of the Purchaser, except that the Seller shall be responsible for the transportation costs in excess of the distance between the Purchaser's farm and the location where the sale took place. If the Seller proves the animal is a breeder, it shall be the obligation of the Purchaser to take delivery of the animal and pay all expense incurred for transportation.

3. If a female sold as "safe in calf" proves not to be in calf, the Purchaser may receive service from the bull previously used, if available, or if the bull is not available, the Seller shall be obligated to make a satisfactory adjustment on the purchase price upon return of the animal to the farm of the Seller. Any adjustment provided for herein shall absolve the Seller from further liability, except in case such female proves to be a non-breeder. If a female represented as "safe in calf" at time of sale to a certain bull proves to have been bred to a different bull, the Seller shall be obligated to take a satisfactory adjustment on the purchase price upon return of the animal to the farm of the Seller (adjustments shall not be considered to a breeding fee or an allocation of the purchase price to any unborn calf). Any expenses incurred for transportation shall be the responsibility of the Purchaser, except that the Seller shall be responsible for the transportation costs in excess to the distance between the Purchaser's farm and the location where the sale took place.

4. If a female sold as "served" proves not to be in calf, or if a female sold as "pasture-bred" proves not to be in calf, the Seller only guarantees such female to the breeder.

5. If a female sold as "open" proves to be with calf, the Purchaser may return the animal to the farm of the Seller prior to calving for a credit of the full purchase price or for another animal of equal value, whichever is acceptable to the Purchaser. It shall be the obligation of the Seller to bear any expense incurred for transportation.

LIABILITY: Neither owners, sale managers, clerks nor anyone connected with the sale assumes responsibility, legal or otherwise, for damages of any kind.

CONTRACT: The above terms and conditions shall constitute a contract between the buyer and seller of each animal sold.

IMPLIED WARRANTY: Except for those stated in the terms and conditions, there are no warranties, either expressed or implied, as to merchantability or fitness for a particular purpose with respect to the cattle being sold in this auction. The warranties set forth in terms and conditions are in lieu of all other warranties, either expressed or implied, and the remedies provided therein shall be the sole and exclusive remedy of the buyer, or any part claiming through buyer, for any breach of warranty or guarantee therein provided and all other obligations or liabilities.

WE LOOK FORWARD TO SEEING YOU THIS FALL FOR OUR...
