ABSENTEE BIDDING

If you are unable to bid during the auction time frame, or feel uncomfortable doing so through the online format, the Bieber Red Angus team will be available to bid for you. You can contact any staff listed under the BIEBER RED ANGUS CONTACTS section to bid.

HEALTH

All cattle are on a complete vaccination program supervised by Ashley Vet Clinic. We have tested our replacement heifers for BVD since 2014 as part of our surveillance program and found no positive BVD carriers. Bieber Red Angus participates in the Beef Quality Assurance (BQA) program. Heifer calves have been Bangs vaccinated. We participated in a Johnes testing program for 10 years with no confirmed positives. We no longer test for Johnes disease but continue to diligently watch for any suspicious cases and test as necessary.

GENETIC DEFECTS

Every animal in the sale is guaranteed negative for the recessive gene associated with Osteopetrosis(OS), Arthrogryposis Multiplex(AM) (Curly Calf Syndrome), Neuropathic Hydrocephalus (NH) and any other known genetic defects. With this guarantee, we provide our customers the opportunity to purchase their choice of cattle with very little risk. DNA samples have been collected on every animal in the sale with any known carrier in the first three generations and tested negative unless otherwise noted.

BREEDING DATA

Breeding data on the bred females, including sex of pregnancy and date of calving, is verified by ultrasound and is an estimate. Many years of ultrasound data has proven it is 99% accurate. This data is verified to the best of the veterinarian's ability depending on embryo age.

COLOR

All animals are red unless otherwise indicated in the footnotes.

DELIVERY POLICY

Please review our delivery policy on Page 2 for info on delivery costs and central delivery points.

SALE BROADCAST

The sale will be an online only timed auction and broadcast through DVAuction.

AUCTION FORMAT

The sale will be hosted entirely online at www.DVAuction.com. All lots will close at 7:00 pm CDT on their respective closing dates.

- Pregnant Recips, Fall Bred Cows, & Commercial Cow lots will close at 7:00 pm CDT on April 15
- Open Heifer lots will close at 7:00 pm CDT on April 16

If any lot is bid on within 5 minutes prior to 7:00 pm CDT on the closing date, bidding will be extended for an additional 5 minutes on all lots. Bidding will then close when there are no bids placed on any lots for a period of 5 minutes.

BIDDING PROCEDURES

Follow these steps to apply for bidding prior to the start of the sale.

1. Make sure you have an active DVAuction account. Log into www.dvauction.com any day and make sure your login still works. You will not be allowed to watch or bid on this sale if you cannot log into DVAuction.
2. Once you are logged into the home page for DVAuction, you will see your name listed at the upper left corner of the page. This is the same area where you entered your user name and password. Below your name you will see the 'Apply for Bidding' link. Click on this link. It will take you to a page that shows all upcoming sales. If this sale is in the list with the word Approved in front of it, you are ready to bid. If not, click the box next to the sale and scroll down to the bottom of the page to click Apply for Bidding. You will now see a green bar at the top saying 'Your request for approval has been received.' Check your status on the sale. If it says Approved in front of the sale, you are ready to bid. If it does not, call our office at (402) 316-5460 for approval.

Follow these steps to bid in the sale.

1. Login into your account on DVAuction.com.
2. On the home page, scroll through Today's Events. Timed auctions are listed toward the bottom of today's events.
3. Click on the VIEW button next to the sale listing. This will take you to the lot listing.
4. To bid on a lot, click on that particular lot and it will take you to the individual lot where you can place a bid. If you see a pink bar with "You are not approved to bid at this event. Apply for Bidding," click on the blue APPLY FOR BIDDING button. Once approved, this is where you will submit your bid.

Contact DVAuction at (402) 316-5460 or support@dvauction.com.

PREGNANT RECIPS

In early 2024 Bob Yackley told us they were selling their commercial cowherd as they were preparing to list the ranch. We talked throughout the spring and in late April we decided to have a look. We thought they would make outstanding recipients and they have. We have also added our Black/Red Carriers and most of our 1B Red Angus to our recipient group. These are all highly productive cows and will fit in any herd. On the Yackley Recips, the first number indicates the year of birth of the cow. Any of the registered recipients correspond with the letter year for registered Red Angus. Any of the recips that didn't take during the first two rounds were implanted for a late August due date and are offered here.

Lot 1

One pregnant recipient cow due 8/31/2026 with a bull calf.

This mating will prove to be a breed leader. This 2021 born recip is carrying a bull calf by Leverage 3865L, who was one of the high sellers at LSF's February sale. The dam of this calf is the proven matron Bieber Primrose 139H - the dam of Bieber Paycheck K102 who stands at Alta Genetics. The projected EPD's of this calf put him near the top of the breed. We are looking forward to Leverage's progeny and, out of this matron, they should be some of the best.

Lots 2-4

See footnote on each lot for due date and calf sex.

These three pregnancies will likely be some of the top females in any herd they sell too. Adelle 475C is one of those cows who just keeps producing the good ones. She is now at Pieper Red Angus and still producing for their ET program. High Density's females have followed in his sire's footsteps and have been standouts in any herd. These three heifer calf pregnancies are going to lead most any program.

Lots 9 - 14

See footnote on each lot for due date and calf sex.

Gallee 390G is the dam of the record selling Jumpstart along with Bieber Payload L518, a maternal brother working at Pieper's. She is a prepotent donor that will work with a lot of sires. Her growth is top of the breed and she offers GridMaster that is unequalled. This dam is prepotent and has an impact that will be felt across the breed.

One pregnant recipient cow due 8/20/2026 with a bull calf.

We thought this mating would be interesting to try. Both parents bring a lot of power to the table and being line bred, they'd be very prepotent in any herd. This could be one of the more unique bulls to be born in 2026.

FALL BRED COWS

Video of all lots will be available prior to sale day.

These females will give you a great opportunity to start or build your herd with leading genetics, and they include embryo transplant daughters out of some of our best donors. Check the footnotes for breeding data on each lot including due date, calf sire, and calf sex.

These females are rebred from our cowherd. The bred heifers are from our replacement heifer group that were exposed for two 35 day breeding seasons prior to being bred for a fall calving season. The bred cows fell out from our May/June calving cows which are bred for 42 days in August-September. We eliminate any cows with any issues before we breed and then sync them for AI and a short breeding season. We feel these cows are a great option to start a fall herd.

These lots will open at 7:00 am CDT on Wednesday, April 15 and close at 7:00 pm CDT on Wednesday, April 15. Please see the bidding procedures and auction format sections on the first page of the catalog for more information on how the sale will run.

COMMERCIAL BRED COWS

These lots will be sold in groups of 4.

This year we are offering a small portion of commercial bred cows from the Yackley Red Angus herd out of Onida, SD. These lots will open at 7:00 am CDT on Wednesday, April 15 and close at 7:00 pm CDT on Wednesday, April 15. Please see the bidding procedures and auction format sections on the first page of the catalog for more information on how the sale will run.

These cows have been grouped based on due date, and will be sold as a set of four. They were exposed to STRA SECURITY 3013, A&R WARRANT L302, and A&R WARRANT L320.

REFERENCE SIRES

Below is a list of sires and registration numbers that were used when breeding the fall calving cows. Please visit www.redangus.org to reference their EPD and pedigree information.

For the registered fall bred cows, please reference the footnote on each individual lot for who the probable calf sire is.

The commercial fall bred cows were exposed to STRA SECURITY 3013, A&R WARRANT L302, and A&R WARRANT L320.

OPEN HEIFERS

Video of all lots will be available prior to sale day.

The open replacement heifers in this offering are out of some of our best cowlines and have data at the top of the breed. They have been given all pre-breeding vaccinations and are ready to breed. You can buy these lots with the confidence that we would breed them ourselves if they were not offered here.

These lots will open at 7:00 am CDT on Thursday, April 16 and close at 7:00 pm CDT on Thursday, April 16. Please see the bidding procedures and auction format sections on the first page of the catalog for more information on how the sale will run.

RED ANGUS MARKETING PROGRAMS

How to Enroll in Angus Access & Allied Access

1. Contact the Red Angus value-added department at **940-477-4593** and complete a short supplier enrollment questionnaire over the phone. RAAA staff will ask general management, animal identification and breeding questions. If needed, the producer may be asked to supply additional documentation on breeding such as semen receipt, lease agreements or information on purchased females.
2. After all documentation is recorded, staff will ship the tags directly to the producer who must tag the calves before they leave the ranch of origin – birth, branding, preconditioning, weaning or before loading on the semi.
3. The producer will receive a customer enrollment agreement to fill out and return to RAAA with a copy of their calving records.
4. Staff will issue the USDA-approved Certificate of Compliance upon receiving the customer enrollment agreement and calving record.

EID Tags are required for program identification. Outside-purchased EIDs can be brought in for \$1 per tag.

HOW TO BID

This is an online only auction facilitated through DVAuction.com. Please see the instructions below for information on how the auction will run and how to bid. **Video of all lots will be available on DVAuction.com prior to sale day.**

HOW THEY WORK

All lots will close at the same time. Bidding will be extended for 5 minutes on all lots if a bid is placed on any lot within 5 minutes before closing time. Bidding will officially close when there are no bids placed on any lot for a period of 5 minutes.

BIDDING PROCEDURES

1) Make sure you have an active DVAuction account. Log in to www.DVAuction.com any day of the week and make sure your login still works. You will not be allowed to watch or bid if you do not have a DVAuction login.

2) Once you are logged into the home page for DVAuction, you will see your name listed in the upper left corner of the page. This is the same area that you put in your username and password. Below your name you will see the Apply for Bidding link. Click on this link and it will take you to a page that shows all the upcoming sales. If the sale you are interested in bidding on is listed with APPROVED in front of it, you are ready to bid. If not, click in the box next to the sale that you wish to bid at, scroll down to the bottom of the page, and click on the Apply for Bidding bar. You will now see a green bar at the top saying 'Your request for approval(s) have been received.'

Make sure to continue to check back on the status of the sale you wish to bid at. If it says APPROVED in front of the sale, you are ready to bid. If it does not, call DVAuction at (402) 316-5460 for approval.

3) To bid, login to your DVAuction account. On the home page, scroll through today's events and find the sale you wish to bid on. Click on the view button next to the sale listing and it will take you to the lot list. To bid, click on a lot and enter a bid amount.

**If you click on a lot and see a bar that says 'You are not approved to bid at this event,' click on the Apply for Bidding button. Once approved, this is the area that you will submit your bid.

For general questions or requests to bid, please contact DVAuction at (402) 316-5460 or support@dvauction.com.

LEGAL TERMS AND CONDITIONS

The Red Angus Association Terms and Conditions will apply if the terms and conditions printed here are not applicable.

BIDDING DISPUTES: The auctioneer in charge will settle any disputes as to bids. His decision on such matters shall be final.

TERMS: The terms of the sale are cash; the right of property shall not pass until after settlement is made. All settlements will be made with the clerks of the sale immediately following the conclusion of the sale and before any cattle will be released from the ranch.

RETAINED INTEREST: We are retaining 1/2 interest in all bulls in the sale. We are selling the remaining 1/2 interest, full possession, and full salvage value on these bulls. This option gives Bieber Red Angus Ranch the option to collect, use and market semen from the bull, and does not restrict the purchaser from doing the same. This collection, unless agreed otherwise, would be done at the expense of Bieber Red Angus Ranch, at the buyer's convenience. Also at the time of purchase, the highest bidder on a retained interest bull may elect to purchase exclusive semen rights for 100% of the purchase price in addition to the purchased price on retained bulls. If a buyer elects to purchase exclusive semen rights, Bieber Red Angus Ranch's interest then becomes in herd use only. Bieber Red Angus Ranch retains all rights to use the bull within their herd.

SEMEN RIGHTS: Buyers receive semen rights proportional to the interest purchased. If you purchase a 1/2 interest, then you are entitled to 1/2 of the semen collections at cost, provided that you indicate you want semen prior to collection. We intend to collect some of the bulls in the sale and sample them in our herd. We will cooperate with the buyer in collection of the bull. We prefer to collect most bulls after the first season of use, and we will contact the buyer when we intend to collect the bull at a time convenient for the buyer.

PURCHASER'S RISK: Each animal becomes the risk of the purchaser as soon as sold. Animals will be fed, watered and cared for at the purchaser's risk for a reasonable time.

CERTIFICATE OF REGISTRY: A certificate of registry and transfer will be furnished for each animal sold as a registered animal, after settlement has been made.

HEALTH: All cattle will have official health certificates and will sell guaranteed export to Canada. Canadian health certificates will be charged at cost on animals selling under \$4000.

ANNOUNCEMENTS: Changes of information contained in this catalog relating to the animals offered for the sale will be announced from the auction block and such announcements shall take precedence. Errors discovered in the catalog will be corrected by announcements at sale time, and such corrections will take precedence over the printed matter in this catalog.

BREEDER'S GUARANTEE: 1. All animals are guaranteed breeders, with the exception of: a) calves under twelve months of age; b) animals shown by Purchaser after sale (in cases of animals shown after purchase, the breeding guarantee, if any, shall be such as agreed upon between Seller and Buyer) c) any open heifer that has been flushed for embryo transfer; or d) gross negligence or willful misconduct on the part of the Purchaser. 2. Bulls are guaranteed breeders if not allowed to run with the herd until at least 14 months of age. Any bull which either: a) settles 1/3 or more of the healthy cows he serves; b) is the sire of 20 or more animals; or c) settles cows by natural service and passes a fertility test made by a competent veterinarian during any 6 month period of trial (provided for in paragraph 2 of the section of these sale terms and conditions entitled "Options and Privileges of Return or Adjustment") shall be considered a breeder.

Any guarantee with respect to the ability to freeze semen shall be by separate agreement between Buyer and Seller.

All guarantees are limited to the amount of the purchase price.

Open females have not been served and are so guaranteed.

IDENTIFICATION: Each animal carries an EID tag for identification. That EID corresponds with the ID of the animal and is recorded with the Red Angus Association. Tag numbers on the cattle correspond with lot numbers in this catalog. Purchaser agrees to use full name of animal in advertising and on stall cards at shows.

OPTIONS AND PRIVILEGES OF RETURN OR ADJUSTMENT:

1. All claims for adjustment or refund must be made in writing either within six months of the sale date or no later than six months after the animal reaches 18 months of age, with the exception of claims involving defects or parentage.

2. In the event an animal is claimed to be a non-breeder, the animal may be returned to the farm of the Seller if in good condition and complying with the health requirements of the Seller's state. The Seller shall be entitled to six months' trial following the return of the animal in which to prove the animal is a breeder. The Seller shall, at the option of the Buyer, replace the animal with another of equal value or grant the Buyer a credit for use on any products marketed by the Seller. Such credit of the full purchase price shall in any case be deemed full satisfaction and settlement. Any expense incurred for transporting an animal claimed to be a non-breeder shall be the responsibility of the Purchaser, except that the Seller shall be responsible for the transportation costs in excess of the distance between the Purchaser's farm and the location where the sale took place. If the Seller proves the animal is a breeder, it shall be the obligation of the Purchaser to take delivery of the animal and pay all expense incurred for transportation.

3. If a female sold as "safe in calf" proves not to be in calf, the Purchaser may receive service from the bull previously used, if available, or if the bull is not available, the Seller shall be obligated to make a satisfactory adjustment on the purchase price upon return of the animal to the farm of the Seller. Any adjustment provided for herein shall absolve the Seller from further liability, except in case such female proves to be a non-breeder. If a female represented as "safe in calf" at time of sale to a certain bull proves to have been bred to a different bull, the Seller shall be obligated to take a satisfactory adjustment on the purchase price upon return of the animal to the farm of the Seller (adjustments shall not be considered to a breeding fee or an allocation of the purchase price to any unborn calf). Any expenses incurred for transportation shall be the responsibility of the Purchaser, except that the Seller shall be responsible for the transportation costs in excess to the distance between the Purchaser's farm and the location where the sale took place.

4. If a female sold as "served" proves not to be in calf, or if a female sold as "pasture-bred" proves not to be in calf, the Seller only guarantees such female to the breeder.

5. If a female sold as "open" proves to be with calf, the Purchaser may return the animal to the farm of the Seller prior to calving for a credit of the full purchase price or for another animal of equal value, whichever is acceptable to the Purchaser. It shall be the obligation of the Seller to bear any expense incurred for transportation.

LIABILITY: Neither owners, sale managers, clerks nor anyone connected with the sale assumes responsibility, legal or otherwise, for damages of any kind.

CONTRACT: The above terms and conditions shall constitute a contract between the buyer and seller of each animal sold.

IMPLIED WARRANTY: Except for those stated in the terms and conditions, there are no warranties, either expressed or implied, as to merchantability or fitness for a particular purpose with respect to the cattle being sold in this auction. The warranties set forth in terms and conditions are in lieu of all other warranties, either expressed or implied, and the remedies proved therein shall be the sole and exclusive remedy of the buyer, or any part claiming through buyer, for any breach of warranty or guarantee therein provided and all other obligations or liabilities.
